## Ohol Yeg's highlights

- One-man **Turkish black metal project** based in Ankara.
- Founded in 2014 and began spreading hate in 2015.
- Drawing inspiration from **Turkic myths, nihilism, nature, and absurdism**, Ohol Yeg harbors a deep disdain for religion.
- Sazakan, as the sole member, handles all creative and production processes. The band has live members for shows.
- The band forged a devoted audience base in the Turkish black metal scene, especially in Ankara.
